# WASHBURN WD-52SWCE Acoustic/Electric Dreadnought guitar valued at \$1,649.00 PLUS

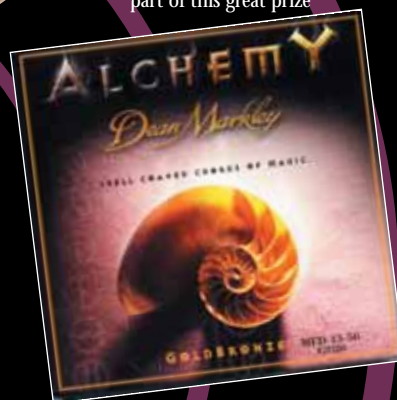

## 3 sets of DM-ALPB/M Dean Markley Alchemy Acoustic Strings

The WD-52SWCE Washburn is an all solid wood guitar with beautiful vintage tones and excellent craftsmanship. It combines a solid spruce top with all solid mahogany back and sides. Mahogany is prized for producing a bright, balanced tone that is darker than maple but brighter than rosewood. With cutaway for excellent playability and BBand™ electronics to honestly amplify the rich tones, this uniquely designed dreadnaught represents excellent value for money.
